

Farmers Mutual Hail Insurance

West Des Moines, IA

Summary:

2005; two-story, 82,000 SF corporate headquarters including offices, open office space, conference space, full service kitchen, 110-seat cafeteria, and fitness center.

Special Features:

This comprehensive design-build project utilized Neumann's in-house architectural services including: extensive space study to determine current and projected space needs; integrated floor plan encompassing departmental divisions; interior design; and review of 35 sites before lakeside selection.

Building features a 167-foot long atrium enclosed by barrel vault, circular boardroom, indirect lighting for office space and fully equipped lower level production area for full service printing needs. Custom millwork and intricate architectural details utilized throughout.
