

Co-Line Link Remodel

Sully, IA

Summary:

2005; Design-build renovation of 1,600 SF existing warehouse area into headquarters museum and apparel store.

Special Features:

Custom millwork throughout including display cabinetry and casework. Custom metal work utilized in display system featuring cable suspension of acrylic panels. Exposed spiral perforated ductwork, Compasso decorative ceiling edge design, tinted glass stair treads, and cable stair railings complete the industrial look of the area in connection to the company's genre.
