

# Quality Manufacturing, Inc.

Urbandale, IA

## Summary:

2005; 44,000 SF addition including office and warehouse space to existing manufacturing facility; project also included addition to parking lot.

## Special Features:

Exterior of the addition features insulated pre-cast. Work included renovations to the existing entryway, loading docks, and loading ramps. Project was completed on a very aggressive basis with a schedule from late August to late December. The 35,000 SF concrete slab was completed in November and was placed in its entirety in one pour.

Interior office lobby features a grand stainless steel and suspended tread staircase fabricated by Quality Manufacturing. Warehousing and manufacturing space features skylights for natural lighting and custom configurations.
