

# Iowa State Old Historical Building

Des Moines, IA

## Summary:

2001; historically accurate interior restoration of a late 1800's vintage public building.

## Special Features:

Project included restoration of existing woodwork; addition of new marble base and wainscoting; renovation of original library glass – plank mezzanine system; replacement of original skylights; and introduction of new stairways in each of the two building wings. The restoration is intended to replace years of cover-up projects.
