

# Grinnell College CERA Complex

Grinnell, IA

## Summary:

8,600 SF laboratory facility for the Conard Environmental Research Area; LEED Gold Certified (first in the State of Iowa).

## Special Features:

Building's exterior features a 50/50 block-glass exterior wall and sheet metal roof. Project also includes a 2,200 SF Butler building to house maintenance equipment. In keeping with the building's environmental conscious purpose, the project followed LEED certification requirements in design and construction including the preservation of the native prairie grass habitat in which the building is located.
