

Ruan Planters

Des Moines, IA

Summary:

2004 & 2005; Special construction and installation of architectural landscape planters for select downtown office buildings.

Special Features:

Specially designed planters feature a black powder-coated finish and drainage access from the bottom. Sturdy construction allows the planters to be maintained throughout the four seasons adding a dramatic flair to this area of downtown Des Moines. Original concept and construction was implemented for Ruan Companies' buildings. Additional requests from other companies and organizations such as the Downtown Community Alliance continue. To date, Neumann has constructed and installed 34 wall planters and 169 pyramid planters.
